

To the Members of the California State Assembly:

I am returning Assembly Bill 2567 without my signature.

I respect the author's intent to designate May 22nd as "Harvey Milk Day" and a day of special significance for California public schools and educational institutions to honor Harvey Milk as an important community leader and public official in the city and county of San Francisco. However, I believe his contributions should continue to be recognized at the local level by those who were most impacted by his contributions.

For this reason, I am unable to sign this bill.

Sincerely,

Arnold Schwarzenegger
